

SESSION THREE

Do you believe you'll live forever?

LESSON 7: WHERE AM I GOING?

- Is death bad, or good? Natural or unnatural? God's will, or not?
- Do you know anyone who is "paralyzed with fear" of death? Do you know anyone who lives as if trying to "defy death" and live forever? What are the consequences of living this way?
- "Only the pure of heart will see God because only the pure of heart truly want to." What does a life look like if someone simply fears God and is trying to avoid Hell? What does life look like if you truly love God and believe in Heaven?
- What does purgatory tell us about God? What does someone "need" to go to heaven?
- Do you know anyone who has passed away suddenly? Have you ever known someone who had time to prepare for death?
- What does the phrase "what I've done and what I've failed to do" mean to you?
- How would you define eternity to someone who does not understand your faith?
- Do you think it matters to most people whether or not they go to Heaven? Why do you feel that way?

LESSON 8 & 9: WHEN DID MY JOURNEY BEGIN? & THE GIFT OF GRACE

- What are some ways you could try to reconnect with your Baptism?
- What does Baptism do for us?
- Matthew 28:19 says "Go, therefore, make disciples of all nations; baptizing them in the name of the Father, Son, and Holy Spirit." What does this tell us about Baptism?
- How would your life be different if you had not been baptized? What would you do to attain that?
- Is it necessary to be Baptized to go to heaven?
- Why do we use water at Baptism? What do you think of the phrase "born again" or "Alive Again"?
- Which sacrament is most important to you in your relationship with God? Why? What are some ways the "sacramental life" can be seen in your daily life? (The invisible made visible?)
