I bought 49 tickets for NCYC, and we have used 45 of them. ***So I still have 4 tickets/spots available that will need to be filled.*** If you know someone who would love to go, invite them, tell them why you're going, tell them why they should go, and then tell me who you invited. Then, I will reach out to them and their parents about the trip.

Please let me know if you cannot attend the June 9th meeting and please let me know if you have any questions or concerns. Again, I am very much looking forward to this awesome group going to NCYC!

Have a great day!

To Jesus through Mary,
Kayla Greiner
